# **TITÍN FOUNDATION'S TOOL TO STRENGTHEN THE THIRD SECTOR IN PUERTO RICO**

**Sofia Martínez-Álvarez**  
*Executive Director*

**Hazel Colón**  
*Programs Director*

With more than a thousand Puerto Rican nonprofit organizations in one place, Titín Foundation presents their digital platform **SINFINESPR.org**.

The platform allows users to learn more about these entities, channel their donations, facilitate collaborations, download important information, and create strategic alliances within the third sector.

In 2017, Titín Foundation identified the need to create a virtual space to gather information related to nonprofit organizations in Puerto Rico.

**SINFINESPR.org** was created from an extensive interactive database that feeds on over 1,000 organizations, in 10 management areas, throughout Puerto Rico.

**SINFINESPR.org** is a **TITÍN FOUNDATION** program that offers tools to strengthen the third sector

Among the lessons learned in 2020 was that SINFINESPR.org had to take a step forward to enhance its valuable database.

The COVID-19 Pandemic highlighted the need for our digital platform to become a **TOOL THAT STRENGTHENS THE THIRD SECTOR.**

SINFINESPR.org is a dynamic platform that connects, educates, and establishes alliances that nurture the participating entities.

PILOT 2022

**labF3S** is a training and acceleration tool that helps participants strengthen their organizational, programmatic, and economic development throughout four phases.

Each phase is adjusted to the participants' level and organizational capacity.

### Phase III

Proposal writing with a focus on Federal funds

The program aims to individuals who want to improve their skills in writing proposals to apply for Federal funds.

In Phase III, the participants will be trained in the search, composition, and procedures to receive Federal funds. In addition, we will put them in communication with NGOs that need support from people with the profile of the graduates of labF3S Phase III.

#### Facets of the program:

- Batching of programs and grant opportunities
- Proposal Writing
- Evaluation and management of awarded funds

IN DEVELOPMENT FOR 2022

### Phase IV

Access to unrestricted funds and innovation best practices

NGOs with advanced organizational capacity and proven traction cannot always rely on accessing external funds to grow sustainably. In this program, organizations will gain hands-on experience establishing innovation strategies and business units that allow them to advance their mission while accessing unrestricted funds.
